Detailed itinerary

Day 1: Arrival at Nosy be international airport, Madagascar and – Private car

➤ Arrived at Nosy-be International Airport, reception and transfer to the planned hotel.

Day 2: Visit Nosy Komba (Lemur Island)

A dream day awaits! We will embark for Nosy Komba (the second largest island in the archipelago after Nosy Be) with visits to the Lemur Park and the fishing village with its traditional pirogues. You will see the village school, the artisanal fabric market, the famous sculptures of Nosy Komba, the quaint and lively small shops, the smiling faces, and the paintings of the women. Then, we'll head towards Nosy Tanikely.

YOU CAN INTERACT WITH LEMURS HERE as you can see on the photos be

Picnic lunch.

Nosy Tanikely, a protected underwater nature reserve. All you need is a mask and a snorkel to immerse yourself in an incredible natural aquarium. Just a few meters from the beach, you'll witness the magnificent spectacle of corals and anemones, a multitude of colorful fish, crustaceans, groupers, moray eels, and sea turtles.

Sea stay.

Day 3: Lokobe Special Reserve

A day of adventure and nature. After a transfer to Ambatozavavy Beach, you will be welcomed and taken by canoe by our guides. A 20-minute boat ride through the mangrove forest of this part of the island will take you to a private beach where you can enjoy a refreshing break. From there, on foot and with an experienced guide, you will explore palm trees and medicinal plants in search of the different animal species that inhabit the forest (frogs, the world's smallest chameleons in the world, lemurs, reptiles and various birds).

Lunch and rest on the beach or in the hammocks at your disposal.

Return to the hotel.

Sea stay.

Day 4: Nosy Sakatia (Orchid Island)

Morning exploration and afternoon relaxation

Nosy Sakatia is certainly the most authentic island in Nosy Be (protected and classified by the Ministry of Environment).

Accompanied by a local guide, discover the interior of the island during a one-and-a-half-hour walk: old flame trees, coffee trees, pepper trees, vanilla, traveler's tree, pineapples, cashew trees, mango trees, guava trees, eucalyptus, raffia, orchids, medicinal plants, etc. Everything is there!

The culture and traditional activities of the island's inhabitants (rituals and customs, beliefs and legends), fishermen, and farmers invite you to share their daily lives in the rhythm of a generous and respected nature.

Lunch by the water under the shade of coconut trees, possibility of snorkeling. Transfer to the hotel.

Sea stay.

Day 5: Nosy Iranja (Turtle Island)

Nosy Iranja is located an hour and a half from Nosy Be by motorboat. These two islands (Nosy Iranja Be and Nosy Iranja Kely) are connected by a bank of fine white sand, covered at high tide and uncovered at low tide. It is a paradisiacal island with turquoise colors of all shades and crystal-clear waters. Even today, turtles come here to lay their eggs, hence Turtle Island the name "".

Lunch on the island. Possibility to visit the lighthouse, which overlooks the island and offers a breathtaking view, and the traditional fishing village where life still unfolds as it did in the forgotten past. During the transfer by speedboat, you can admire the untouched coast of the mainland (Madagascar) and its kilometers of wild beaches, the "sugar loaf" and Nosy Antsoa, still completely endemic and uninhabited, a nesting ground for various species of birds and eagles.

Return to the hotel before sunset.

Sea stay.
